

April 9, 1993

TO: ALL BATTING RANGE OWNERS

SUBJECT: SAFETY ALERT

---

BALLS ROLLING UNDER FEET:

WE RECENTLY HAVE BECOME AWARE OF AN INCIDENT OF SOMEONE FALLING AFTER STEPPING ON A BALL ROLLING UNDER HER FEET. WE HAVE DEVELOPED A NEW SIGN WHICH WILL WARN THEM OF THIS POTENTIAL HAZARD. WE ADVISE YOU TO ORDER THESE SIGNS FOR EVERY BATTING STALL. THE PRICE OF THE SIGN IS \$10.00 PER SIGN. FOR SAFETY SAKE, WE URGE YOU TO PLEASE CALL AND ORDER THESE TODAY!

---

"HELMETS MUST BE WORN":

IN AN EFFORT TO GET COMPLETE COMPLIANCE WITH THIS RULE, WE HAVE DEVELOPED A LARGE DECAL TO BE ATTACHED TO THE FACIA OF THE PITCHING MACHINE ROOF. THE SIGN READS, "HELMETS MUST BE WORN". THESE LETTERS ARE LARGE ENOUGH TO BE SEEN FROM THE BATTERS BOX. IN AN EFFORT TO IMPROVE THE SAFETY OF YOUR RANGE, WE URGE TO PURCHASE ONE OF THESE SIGNS TODAY. THE PRICE IS \$9.00 PER DECAL. ONE DECAL WILL BE SUFFICIENT FOR THE BATTING RANGE.

---

"TO OPERATE BATTING CAGE" SIGNS:

YOU WERE PROVIDED "TO OPERATE BATTING CAGE" SIGNS WITH YOUR ORIGINAL SIGN PACKAGE. WE HAVE DEVELOPED A NEW "TO OPERATE BATTING CAGE" SIGN FOR YOUR BATTING STALLS. IT IS SIMILAR TO YOUR ORIGINAL SIGN WITH THE ADDITION OF TWO NEW INSTRUCTIONS. THE FIRST INSTRUCTION READS: "BE ALERT! If Warning Lights Are On, Machine Is Capable Of Pitching A Ball At Any Time". THE SECOND INSTRUCTION READS: "WARNING! Pitching Machine Will Throw Both Balls And Strikes". IF YOUR SIGNS DO NOT HAVE THESE ADDITIONAL INSTRUCTIONS AND IF YOU HAVE NOT RECEIVED THESE NEW SIGNS, PLEASE CONTACT US TODAY!

---

NOTE: ADD THIS SAFETY ALERT TO YOUR "OPERATING MANUAL" FOR FUTURE REFERENCE.

PLEASE CONTACT US TODAY WITH ANY COMMENTS OR SUGGESTIONS ABOUT SAFETY AND YOUR BATTING RANGE. REMEMBER: "SAFETY FIRST"!!!
